E-SHOWGUIDE

WELCOME TO **ENGINEER & MARVEX 2023:**

SHAPING A SUSTAINABLE TOMORROW!

Experience **ENGINEER** (an event of IEM Convention) and **MARVEX**, set to redefine the landscape of Engineering and ACMV&R solutions over four days.

ENGINEER & MARVEX is an annual event that brings together the engineering fraternity, covering Mechanical & Electrical (M&E), Civil & Structural (C&S), and Air-Conditioning, Mechanical Ventilation & Refrigeration (ACMV&R). This event also brings together Malaysia's largest engineering symposium and conference.

We bring together industry leaders, visionaries, experts and stakeholders who share a common goal – to progress and excel in the world of engineering. This year, we are embarking on an exciting journey with a fresh focus.

With Environmental, Social, and Governance (ESG) concerns resonating louder than ever, **ENGINEER & MARVEX 2023** stand as powerful advocates for change. As we delve into these vital themes, we aim to inspire, educate, and catalyse action for a better future.

Throughout the event, you can expect an immersive experience for the latest advancements and trends in engineering, technology, and sustainable development. Engage in dynamic discussions, witness groundbreaking innovations, and network with fellow enthusiasts that shares your passion for transformative change.

Embrace the spirit of innovation, learning, and collaboration as we journey towards a sustainable tomorrow.

See you at **ENGINEER & MARVEX 2023!**

FOREWORD

Embrace the Future: Join us at ENGINEER 2023 – Where Innovation Knows No Bounds!

**IR. PROF. DR. NORLIDA
BT BUNIYAMIN**

IEM President &
Joint Organiser of ENGINEER

As we stand at the cusp of innovation and technological advancement, I am delighted to invite each one of you to join us at ENGINEER 2023. This event is a testament to the passion, creativity, and ingenuity that resides within each engineer's heart.

It is a showcase of cutting-edge technologies, groundbreaking research and awe-inspiring solutions that pushes the boundaries of what is possible and, I extend an invitation to a world where ideas flourish, collaborations thrive and knowledge shared generously among peers.

It is within this gathering that we fortify our bonds of camaraderie, foster professional growth and unlock the potential to make a real difference in the lives of millions.

FOREWORD

MACRA

**Empowering Excellence:
Uniting at MARVEX 2023
to Shape the Future
of **ACMV&R/HVAC** Industry!**

PETER TAN

MACRA President &
Joint Organiser of MARVEX

I am humbled by the significant contributions our community has made to the ever-evolving field of ACMV&R / HVAC in the region.

MARVEX 2023 is a celebration of your unwavering dedication, expertise and innovation that drive this industry forward. It provides a unique opportunity for us to convene under one roof and witness the latest showcase of the very best in mechanical engineering, air-conditioning and ventilation, demonstrating the impactful influence our work has on enhancing living and working environments.

It is a place where ideas converge, and new possibilities emerge, setting the stage for a brighter and sustainable future. Let us embrace this opportunity to learn from one another, to inspire and be inspired, and to propel our industry to even greater heights.

FOREWORD

CIS

Uniting Industries for Progress and Innovation in ASEAN.

DATO' VINCENT LIM

C.I.S President &
Joint Organiser of ENGINEER & MARVEX

It is my privilege to address all of you and emphasise the importance of exhibitions in shaping the future of our industry. ENGINEER and MARVEX 2023 holds immense significance as they unite the Engineering and ACMV&R industry for ASEAN. This union binds us in a common pursuit of progress and sustainable practices for the future.

The exhibitions will feature over 200 local and international brands from 10 countries and regions, showcasing new tech, materials and solutions. With more than 40 talk sessions spanning over 100 hours of learning, facilitated by over 120 local and international speakers, these exhibitions are evolving into a platform for the region to explore, connect, learn and unlock new possibilities.

Additionally, the Malaysia's largest engineering symposium and conference will feature 8 sessions across four days, aiming to harness the power of collaboration among professionals in the Engineering and ACMV&R fields.

TOP 5 reasons not to miss this transformative experience

1.

CUTTING-EDGE INNOVATIONS

ENGINEER & MARVEX 2023 showcase the latest technologies and solutions in engineering and ACMV&R.

2.

NETWORKING OPPORTUNITIES

Connect with industry leaders, experts, and peers. Build relationships, exchange ideas, and explore collaborations.

3.

KNOWLEDGE EXCHANGE

Immerse yourself in a wealth of knowledge through seminars, workshops, and sessions by industry leaders. Stay updated on trends and insights.

4.

SUSTAINABLE PRACTICES

ENGINEER & MARVEX 2023 focus on ESG principles, offering a platform to understand practices that align with environmental, social, and governance standards.

5.

SHOWCASE OF EXCELLENCE

Explore top projects, technologies, and solutions in engineering and ACMV&R. Witness transformative potential.

YES OPEN DAY 2023

The Young Engineers Section Open Day is an incredible opportunity for emerging engineers to meet top employers particularly from the Mechanical & Electrical, Civil & Structural and ACMV&R industries. Don't miss your chance to make meaningful connections, gain insights from industry leaders and experience the pulse of innovation in engineering.

PRE-REGISTER TODAY

9 September 2023 (Sat)

10.00am - 1.00pm

KL Convention Centre

Meet leading employers from M&E, C&S and ACMV&R industry

Engineering career development **talk** by industry experts

Experience latest technology from over 200 brands

Agenda

10:00am - 11:00am	Power Talk Education by YES on "Career Path as a Young Engineer"
11:00am - 11:30am	Exhibition Guided Tour
1:00pm	Closing Remark

Participating Exhibitors:

and more...

Open Day is presented to you by:

Experience Connecting Ecosystems with Delta Electronics

Sept 8 - 9, 2023 | Kuala Lumpur Convention Centre
